Please consider a Fund's objectives, risks, and charges and expenses, and read the prospectus carefully before investing. The prospectus contains this and additional information about the Funds. A current Commerce Funds prospectus or additional information regarding The Commerce Funds may be obtained by calling 1-800-995-6365, visiting our website at: [www.commercefunds.com](http://www.commercefunds.com), or by writing to The Commerce Funds, P.O. Box 219525, Kansas City, MO 64121-9525.

Goldman Sachs & Co. LLC is the distributor of The Commerce Funds. No bank guarantee. May lose value. Not FDIC insured.

**Past performance is no guarantee of future results.** Current ratings may be lower or higher. For the most recent month-end ratings ask your financial advisor or visit [commercefunds.com](http://commercefunds.com). There is no assurance that the stated objectives will be met. Certain funds shown have experienced negative performance.

A Fund's performance may be affected by risks that include those associated with nondiversification, non-investment grade debt securities, high-yield/high-risk securities, undervalued or overlooked companies, investments in specific industries or countries and potential conflicts of interest. Additional risks to a Fund may also include, but are not limited to, those associated with investing in foreign securities, emerging markets, initial public offerings, real estate investment trusts (REITs), derivatives, short sales, commodity-linked investments and companies with relatively small market capitalizations. Each Fund has different risk. Please see a Commerce Funds prospectus for more information about risks, Fund holdings and other details.

Source: Morningstar, Inc. The Morningstar Rating™ is calculated for funds with at least a 3-year history based on a **risk-adjusted return** measure that accounts for variation in a fund's monthly excess returns. Exchange-traded funds and open-ended mutual funds are considered a single population. In each category, the top 10% = 5 stars, next 22.5% = 4 stars, next 35% = 3 stars, next 22.5% = 2 stars, and bottom 10% = 1 star. Overall rating is derived from a weighted average of the returns associated with its 3-, 5-, and 10-year (if applicable) rating, excluding all sales charges. Weights are based on the # of months of total returns: 100% 3-year rating for 36-59 months, 60% 5-year rating/40% 3-year rating for 60-119 months, and 50% 10-year rating/30% 5-year rating/20% 3-year rating for 120 or more months. ©2018 Morningstar, Inc.
